From the D P I
No DI-1352-38/44 dt 26-10-44
Recommends sanction to the proposal of the management of the chamarajendra high school to revise the pay of the commerce teacher in the school from Rs 45-4-60 to 60-4-80 and to place the present incumbent in that revised grade from 1-7-43 the extra cost being met by the local fund out of their funds.

The proposal, for reasons stated, may be approved.

12/11 The proposal of the Managing Committee of the Chamarajendra High School which is recommended by the Local Fund and the D P I to revise the scale of pay of the Commerce teacher from Rs 45-4-60 to Rs 60-4-80 and to place the present incumbent in the revised grade with effect from 1-7-43 might function. The extra cost as agreed to be met by the local fund.

SIR,

SUBJECT:- *Sanction for the revision of the scales of pay of the Commerce Teacher in the Municipal High School, Chintamani from Rs. 40-4-60 to Rs 60-4-80*

I have the honour to state that the Deputy Director of Public Instruction, Bangalore, recommends that the proposal of the Managing Committee of the Municipal High School, Chintamani, to revise the scale of pay of the Commerce Teacher from Rs. 40-4-60 to Rs 60-4-80 may be sanctioned as the present incumbent of that post, one Mr B Madhava Rao, having reached the maximum of Rs 60/- in grade Rs 40-4-60 about 10 years ago, has been stagnating on the same pay It is also reported that he is the senior-most --- among the Commerce Teachers in all the Municipal High Schools in the State and that his work has continued to be satisfactory The Municipal Council, Chintamani, have resolved that the scale may be converted into Rs. 60-4-80, the present incumbent being placed in the new grade with effect from 1st July 1943 and the extra cost involved being met from the funds of the Municipality Copies of resolutions of the Managing Committee of the School and of the local Municipal Council in the matter are submitted herewith

While a graduate general teacher who is started in grade Rs. 40-4-60 in Municipal High Schools has the chances of promotion to the higher grades of Rs 60-4-80 and Rs 100-5-150, a Commerce Teacher started in the same grade has no chance of promotion beyond Rs 60/- unless he is also a graduate, and has therefore to stagnate on the same pay throughout his service after ---

after reaching the maximum pay of Rs.60/- in grade Rs.40-4- ... sion of the scale of at least one of the Commercial Teachers in Municipal High Schools would provide a higher grade to this class of --- teachers besides giving immediate relief to the present incumbent The Deputy Commissioner, Kolar District who is the President of the Managing Committee of the school recommends that the scale may be converted from Rs.40-4-60 to Rs.60-4-80 with effect from 1st July 1943

I recommend, therefore, that the conversion of the present grade of Rs 40-4-60 of the Commerce Teacher of the Municipal High School, --- Chintamani into Rs.60-4-80 may be sanctioned, the extra cost being met from the funds of the local Municipal Council as agreed to by them, the present incumbent being placed in the grade with effect from 1st July 1943, as recommended by the Municipal ~~Commissioner~~ Commerce and the Managing Committee of the school.

I have the honour to be,

Sir,

Your most obedient servant,

SECOND ASSISTANT
FOR DIRECTOR ON TOUR.
